ECONOMIC COMMISSION FOR AFRICA  
Conference of African Planners  
Seventh session  
Addis Ababa, 11-18 December 1978

Follow-up to decisions taken at the Sixth Session of the Conference  
Addis Ababa 21-29 October 1976

1. Agenda for the seventh session of the Conference in 1978

(a) 9.242.07 - Study and evaluation of the experience of selected African countries in the implementation of indigenization policies.

(b) Case studies on the role of public enterprises and companies in the transformation of African economies and

(c) Studies on the role of small-scale and medium-scale indigenous business in the process of socio-economic transformation and development in Africa.

While on item 9.242.07, the study on indigenization has been completed and a paper is being presented, items 9.242.08 and 9.242.09 have been postponed because of staff and resource shortages and because it was necessary to carry out urgent work on projections in preparation for the development decade of the 1980s. The paper headed "The Search for a Strategy for the Third United Nations Development Decade and the Role of the ECA Region" covers the work done on projections for certain countries in the region.

2. ECA Multinational Programming and Operational Centres (MULPOCs)

Documents E/CN.14/CAP.7/5 and E/CN.14/CAP.7/6 outline the follow-up to decisions taken at the sixth session of the conference and the Kinshasa Conference of Ministers.

3. The United Nations African Institute for Economic Development and Planning (IDEP)

Document E/CN.14/CAP.7/7 outlines the follow-up to decisions taken at the sixth session of the conference and the Kinshasa Conference of Ministers and the meeting of the Executive Committee held at Khartoum.

Annual Report of the Board of Directors  
of the American Telephone and Telegraph Company

The Board of Directors of the American Telephone and Telegraph Company has the honor to present to you the annual report of the company for the year ended December 31, 1949.

The year 1949 was a year of continued growth and progress for the company. Our operating income increased by 10% over the previous year, and our assets were increased by \$100,000,000.

The company's operating income for 1949 was \$1,000,000,000, compared with \$900,000,000 in 1948. This increase was due to a 10% increase in operating revenues, which was offset by a 10% increase in operating expenses.

The company's assets at the end of 1949 were \$1,000,000,000, compared with \$900,000,000 at the end of 1948. This increase was due to a 10% increase in operating assets, which was offset by a 10% increase in liabilities.

The company's operating assets at the end of 1949 were \$1,000,000,000, compared with \$900,000,000 at the end of 1948. This increase was due to a 10% increase in operating assets, which was offset by a 10% increase in liabilities.
