ECONOMIC COMMISSION FOR AFRICA
Ninth session
Addis Ababa, 3-14 February 1969

Draft Resolution

Union of African Chamber of Commerce

Submitted by: Sudan

The Economic Commission for Africa,

Recognizing the lack of adequate marketing information about
different African markets,

Hoping that African businessmen will play a prominent role in intra-
African trade if such an organization comes into being,

Foreseeing that the establishment of such an organization will
facilitate the diffusion of commercial information about different
African markets and commodities,

Requests the Executive Secretary to make the relevant studies and
contacts in this respect and report to the African Governments.
