Seventh session
Nairobi, 9 - 23 February 1965

TRANSPORT

Resolution 147(VII) adopted by the Commission at its 126th plenary meeting
on 22 February 1965

The Economic Commission for Africa,

Recalling its resolution 60 (IV) of 2 March 1962, the relevant recommendations of the West African Transport Conference held in Monrovia in 1961 (E/CN.14/147 and Corr.1) and the report of the Standing Committee on Industry, Natural Resources and Transport on its second session (E/CN.14/245 and Corr.1 and Add.1),

Recalling its resolution 103 (VI) of 29 February 1964, endorsing these recommendations,

Noting the report of the Executive Secretary on activities in the field of sub-regional road networks (E/CN.14/315),

Considering that this sub-regional approach is only the first step towards the realization of a fully integrated transport system for the continent,

Noting the substantial progress made in the trans-Sahara project,

Recognizing that the installation of an adequate transport network is essential for the implementation of the proposed programmes of integrated development in Africa,
