

Economic Commission for Africa
Africa Regional Forum on Sustainable Development
Tenth session
Addis Ababa (hybrid), 23–25 April 2024

Item 3 (a) of the provisional agenda*
Organizational matters: election of the bureau

Function and composition of the Bureau of the Africa Regional Forum on Sustainable Development

I. Overview of the Africa Regional Forum on Sustainable Development

1. The Africa Regional Forum on Sustainable Development is an annual, intergovernmental, multi-stakeholder platform, organized jointly by the Economic Commission for Africa (ECA) and one of its members that has volunteered to host the Forum, in collaboration with the African Union Commission, the African Development Bank and various entities of the United Nations system. It brings together ministers, senior officials, experts and practitioners from members of ECA, the private sector, civil society, academic institutions and United Nations entities.
2. The overall objective of the Regional Forum is to follow up on and review the progress made towards the achievement of the Sustainable Development Goals of the 2030 Agenda for Sustainable Development and the aspirations, goals and targets of Agenda 2063: The Africa We Want, of the African Union. It is also intended to facilitate peer learning and promote transformative solutions and action to accelerate the implementation of the two agendas.

II. Function of the Bureau of the Regional Forum

3. The proceedings and work of the Africa Regional Forum on Sustainable Development are overseen and guided by the Bureau, which is composed of representatives of five members of ECA. The main functions of the Bureau, which is supported by the ECA secretariat, are:
 - (a) To steer in-session deliberations of the Regional Forum and, in so doing, ensure the active and inclusive participation of all stakeholders and the adoption of the session's outcomes (key messages and declaration);
 - (b) To follow up on the implementation of the outcomes of the sessions of the Regional Forum and report on progress made in that regard during subsequent sessions of the Forum;
 - (c) To present and advocate the outcomes of the sessions of the Regional Forum at the high-level political forum on sustainable development and at other global, regional, subregional and national conferences or meetings.

* ECA/RFSD/2024/1/Rev.1.

III. Composition of the Bureau of the Regional Forum

4. The Bureau of the Regional Forum comprises five members: the Chair, three Vice-Chairs and the Rapporteur. They are elected on the basis of equitable geographic representation. The structure of the Bureau of the Regional Forum mirrors that of the Bureau of the Committee on Sustainable Development (which, at its sixth session, was renamed the Committee on Food Security and Sustainable Development), which was charged with similar responsibilities.

5. The history of the membership in the Bureau of each session of the Forum and its predecessor is presented in table 1 in the annex. A consolidated view of the number of times that the subregions have held the various positions in the Bureau is set out in table 2 in the annex. A detailed presentation of the number of times that the members of ECA and subregions have been represented in each of the positions of the Bureau is provided in table 3 in the annex.

IV. Composition of the Bureau of the tenth session

6. By tradition, the subregion of the outgoing Chair is designated as Rapporteur of the following session, and the other subregions move up one step on the ladder of Bureau positions. In addition, the hosting subregion is the Chair of the Bureau, except when the meeting is hosted at the headquarters of the secretariat. Accordingly, the following composition of the Bureau for the tenth session of the Regional Forum is proposed:

Chair:	North Africa
First Vice-Chair:	Southern Africa
Second Vice-Chair:	Central Africa
Third Vice-Chair:	East Africa
Rapporteur:	West Africa

7. In the selection of members of ECA for positions in the Bureau of the tenth session, the analyses in tables 2 and 3 may be used as a guide. Members are encouraged to elect to the Bureau countries represented at the tenth session that have not previously served in the Bureau (13 countries)¹ or that have served in the Bureau less frequently than have other countries.

¹ *Central Africa*: Central African Republic, Equatorial Guinea, Sao Tome and Principe; *East Africa*: Comoros, Djibouti, Eritrea, Madagascar; *North Africa*: Libya; *Southern Africa*: Eswatini, Mozambique; *West Africa*: Guinea-Bissau, Mali, Sierra Leone.
