FOR THE BIENNIUM 1994-1995**

Addendum

The following is to be inserted on page 16 between Lusaka-based MULPOC and Tangier-based MULPOC and subparagraphs renumbered accordingly.

**IV. PUBLISHED MATERIALS**

Insert on P. 15 after Gisenyi-based MULPOC:

Niamey-based MULPOC

(a) Four recurrent publications:

- (iv) Bulletin of West African Intergovernmental Organizations;
- (v) Directory of West African Intergovernmental Organizations;
- (vi) Annual survey of economic and social conditions in West Africa;
- (vii) Annual review of the operational activities of WADIS.

Niamey-based MULPOC

Insert on P. 16 after Lusaka-based MULPOC and subsequent subparagraphs to be renumbered accordingly

(b) Twenty three non-recurrent publications:

- (xvi) Reports on the rationalization, harmonization and coordination of IGOs activities in the six sectoral fields of: agriculture and livestock, industrial development, trade and finance, energy, information and training, lakes and river basins;
- (xvii) Potential in the exploitation of livestock, fisheries and forestry resources for the purpose of promoting industrial development;
- (xviii) Possibilities for the creation of an Agricultural Data Bank;
- (xix) Study aimed at making the training institutions of the IGOs more self-reliant in terms of management and financing;
- (xx) The role of monetary and financial institutions in the mobilization of domestic resources and savings as a means of enhancing national and subregional self-reliance;
- (xxi) Establishment of a subregional Pesticide Bank;
- (xxii) Subregional cooperation in educational and technological fields, particularly with a view to the advancement of women in the scientific and technical fields;
- (xxiii) Comparative study of the existing Family Codes within the subregion with a view to improving the legal and social status of Women in the Subregion;
- (xxiv) Rationalization of existing production capacity as basis for enhancing industrial cooperation in the subregion;
- (xxv) Proposals for the revitalization of subregional industrial projects and cooperation;
- (xxvi) Development of a Data Bank and Information Service for the resources of the Lake and River Basins of West Africa;
- (xxvii) Subregional programme in the fight against Trypanosomiasis;
- (xxviii) Collection and dissemination of statistical information on livestock diseases within the subregion;
- (xxix) Restructuring of public sector enterprises and their impact on the West African economies;
- (xxx) Strategies for development of alternative domestic energy utilization in West Africa;
- (xxxi) Prospects and problems in the promotion of intra-West African Trade;
- (xxxii) Strategy for the establishment of an adequate mechanism for the collective solution of the energy development problems of the West Africa subregion, particularly those relating to energy transmission, shortage of trained manpower and financial resources.
